

## Heart Is A Mirror

Your heart is a mirror  
May you shine a light  
Do all you can do  
To make things right  
We've all gotta be  
What we wanna see  
There's never gonna be  
A way to make it easy

What do you wanna see in the world?  
Is it mercy? Be merciful.

Your heart is a mirror  
May you shine a light  
Do all you can do  
To make things right  
We've all gotta be  
What we wanna see  
There's never gonna be  
A way to make it easy

What do you wanna see in the world?  
Is it kindness? So be kind.  
What do you wanna see in the world?  
Is it love? So give love.
